## How Does the United States Affordable Care Act (ACA) Affect My Coverage?

**Non-U.S. Citizens:** As non-resident aliens, international students, scholars, and people involved in cultural exchange programs on F, J, M and Q visas (and certain family members) are not subject to the individual mandate for their first five years in the U.S. All other J categories (teacher, trainee, work and travel, au pair, high school, etc.) are not subject to the individual mandate for two years (out of the past six). Since international students are not subject to the mandate, they are eligible to purchase Student Health Advantage.

**U.S. Citizens:** Under ACA, all U.S. citizens, nationals and resident aliens are required to purchase minimum essential coverage (ACA compliant coverage), unless they are exempt. Exempt U.S. citizens include U.S. citizens who reside outside of the U.S. for 330 of any 365-day period, or have a tax home (main place of work or employment, or if you don't have a main place of work or employment, your main residence) in a foreign country, and is a bona fide resident of a foreign country.

*Please note that this insurance is not subject to, and does not provide benefits required by, ACA. Since January 1, 2014, ACA requires U.S. citizens, U.S. nationals and resident-aliens to obtain ACA compliant insurance coverage unless they are exempt from ACA (international students on F, J, M and Q visas (and certain family members of students) are not subject to the individual mandate for their first 5 years in the U.S. All other J categories - teacher, trainee, work and travel, au pair, high school, etc. - are not subject to the individual mandate for 2 years out of the past six). Penalties may be imposed on persons who are required to maintain ACA compliant coverage but do not do so. Eligibility to purchase or renew this product, or its terms and conditions, may be modified or amended based upon changes to applicable law, including ACA. Please note that it is solely your responsibility to determine if ACA is applicable to you and the Company and IMG shall have no liability whatsoever, including for any penalties that you may incur, for your failure to obtain required ACA compliant coverage. For information on whether ACA applies to you or whether you are eligible to purchase Student Health Advantage, please see IMG's Frequently Asked Questions at [imglobal.com/en/client-resources/PPACA-FAQ.aspx](http://imglobal.com/en/client-resources/PPACA-FAQ.aspx). ## Enrollment Process:

Before you begin your travel, simply apply online or fill out the application and calculate the estimated premium for the time period you, your group, and/or your dependents will be traveling. Once you have completed the application, return it to your insurance agent and/or IMG.

Eligible individuals listed on the application and for whom premiums have been paid will be covered from the latest of the following dates:

1. The date IMG approves your completed application and receives the appropriate premium
2. The date you depart from your primary country of residence
3. The date requested on your application

Eligible individuals may pay their rates on a monthly basis, but will incur a 4% admin fee.

## Fulfillment Kits:

IMG processes applications in a quick, timely manner. Once processing is complete, IMG will mail and/or email the fulfillment kit(s) to the address/email listed in the application. The fulfillment kit(s) will include an IMG identification card(s), and the insurance certificate providing a complete description of the rights and benefits under the contract. For your convenience, we will give you this information and may also access it from the IMG website.

If you do not choose online fulfillment, IMG will mail your fulfillment materials. This may cause delays. We recommend online fulfillment for immediate access to your coverage information.

## Conditions of Coverage:

**1)** Coverage and benefits are subject to the deductible limits, and coinsurance, and all terms of the insurance contract, which includes the master policy and all governing documents, as summarized in the certificate of insurance. **2)** Coverage under a Student Health Advantage plan is secondary to any other coverage. **3)** Coverage and benefits are for eligible medical expenses which are medically necessary and usual, reasonable and customary. **4)** Charges must be administered or ordered by a licensed physician. **5)** Charges must be incurred during the period of coverage.

## Renewal of Coverage:

Eligible insureds whose initial coverage is at least three months can request coverage under the plan be renewed monthly for up to 12 month periods, for a maximum of 60 continuous months, as long as the premium is paid when due and the insured continues to meet the eligibility requirements of the plan.

*\*Benefits are subject to exclusions and limitations. This is only a summary and does not supersede in any way the Certificate of Insurance and governing policy documents (together the "Insurance Contract"). The Insurance Contract is the only source of the actual benefits provided.*

## Precertification:

Certain treatment and supplies including hospital admission, in-patient or out-patient surgery, and other procedures as noted in the certificate wording must be precertified for medical necessity, which means the insured person or their attending physician must communicate with an IMG representative at the number listed on the IMG ID card prior to admission to a hospital, before receiving certain treatments and supplies, or performance of a surgery. In case of an emergency admission, the precertification must be made within 48 hours of the admission, or as soon as reasonably possible. If a hospital admission or a surgery is not precertified, eligible claims and expenses will be reduced by 50%. It is important to note that precertification is only a determination of medical necessity, not an assurance of coverage, verification of benefits or a guarantee of payment. All medical expenses eligible for reimbursement must be medically necessary and will be paid or reimbursed at usual, reasonable and customary rates. Please refer to the certificate wording for full details of the precertification requirements.

**For Precertification, emergency evacuation and repatriation, please call:** IMG in the U.S.: 1.800.628.4664 (toll free) or 1.317.655.4500. Call IMG outside the U.S.: 001.317.655.4500 (collect if necessary). This information will also be provided on your ID card.

**Note:** You may begin the precertification process through MyIMG or the Client Resources section of [imglobal.com](http://imglobal.com). Simply look for the precertification option. You will be asked to provide the required information, which can then be submitted electronically. Once we have received all required information and medical records, our utilization management and review team will review the information provided and normally responds to the insured person or the provider within two business days. Please note that this online service will only initiate the process for treatment and supplies outlined in the contract, and it should not be used to request precertification for emergency admissions, procedures or evacuations.

## Claims Payment:

All benefits payable under Student Health Advantage are subject to the terms and conditions in the certificate of insurance. To make claim processing efficient, claims for eligible medical expenses may be paid in two ways:

1. Eligible expenses that have been paid by or on behalf of the insured person may be reimbursed by check directly to the insured person
2. Eligible expenses that have not yet been paid by the insured person may, at the option of IMG, be paid either to the insured person or directly to the provider

Claims must be presented to IMG for payment within 180 days from the date the claim was incurred.

**Claim form can be submitted online at [imglobal.com/member](http://imglobal.com/member), or emailed to [insurance@imglobal.com](mailto:insurance@imglobal.com), or mailed to International Medical Group, P.O.
